

10 Things New RE/MAX Agents Should Do Immediately

- 1** — Obtain remax.net email address & redirect current email to new RE/MAX email address.
- 2** — Order business cards, RE/MAX materials & develop your customer database.
- 3** — Run the MAX checkup app found in MAXTech.me
- 4** — Obtain web domains or point current web domains to your BoldTrail account.
- 5** — Send an announcement letter to your database.
- 6** — Identify a top BoldTrail user in your office and schedule a time to discuss “best practices”.
- 7** — Work with your broker to establish business goals and a lead generation action plan.
- 8** — Review MAXCenter (remax.net) tools that will assist with implementing your goals and action plan.
- 9** — Create Pre-Listing, Pre-Buyer, Listing & Buyer Presentations
- 10** — Enter all office, regional & national training on your calendar. The more you learn, the more you earn!
